**Estimated costs:**

Haploid Bone Marrow Transplantation for the patient Shohraddinovich, Aliev Rauf  
\* 18.01.2005

Dear Madam or Sir,

As agreed with our Paediatrics Oncology and based on the presented diagnosis the  
Haploid BMT amount to

**295,000.00 €, under usual reserve,**

Including 3 terms of chemotherapy (about 3 months), all preparations for 1 Haplo - BMT,  
such as typing, donor treatment, operation for catheter, inpatient and outpatient treatment  
(about 4 months), blood tests, x-ray, pathology, anaesthesia, chief physician, aftercare (  
about 5-6 months), 2-bed room and 1 company in the room of the patient.  
The total stay will be at least 13 months.

**Subject to alteration**

We ask an advance payment of the total calculation.

Universitätsklinikum Düsseldorf  
Stadtsparkasse Düsseldorf  
IBAN: DE94 3005 0110 0010 0015 50  
Swift/BIC-Code: DUSSEDD  
Reason for transfer: 20190053 / SAUS / Shohraddinovich, Aliev Rauf

It is essential to add the "Reason for transfer". Thank you

Please notice that there is no treatment without advance payment.

**Under condition that there will be further diagnoses and complications / artificial  
respiration or operation the costs will increase.**

Kind regards

Marlies von Borries
